Subject: Canadian Radium and Uranium Site - Additional Soil Sampling
Attachments: removed.txt

Hi Eric,

RST 3 will be at the site by 09:00 hours tomorrow. RST3 is requesting that you confirm the scope of work at the site for tomorrow to enable us facilitate our preparations for field supplies purposes.

- We will only be conducting soil sampling at the site.
- Soil borings will be advanced by the property owner's representative and RST3 will collect soil samples from the property owner's representative.
- Three soil samples, one field duplicate soil sample will be collected at 3 location on the MTA/MNR property. In addition, one rinsate blank aqueous sample will be collected on-site.

If you confirm the above statements to be accurate, RST3 will be arriving at the site with equipment and supplies for these tasks only.

Please let me know if you have any comments.

Thanks,

Ben Nwosu
